

# MARCH FAVORITES: ACL FLOWER GUIDE

*Dicentra spectabilis alba* (white bleeding heart): Fern-like foliage with dangling, heart-shaped blooms.

*Epimedium* (Bishop's hat): Low evergreen, yellow blooms in late winter.

*Narcissus* (jonquil/daffodil): Numerous varieties blooming from now until mid-May.

*Helleborus orientalis* (Lenten rose): Evergreen foliage. Long-lasting. Blooms from January-April in different shades
